## ● ABOUT ME

I am Zahoor Ahmed, a motivated Software Engineering student at Sindh Madressatul Islam University (SMIU), with an expected graduation in 2026. Recently, I completed the *Modern Web and Mobile Application Development* course from Saylani Mass IT Training, where I gained practical skills in building responsive web applications and cross-platform mobile solutions using modern technologies.

I am passionate about developing efficient, user-friendly software and have a solid understanding of both front-end and back-end development. My goal is to contribute to innovative projects, enhance my technical expertise, and grow as a professional in the software industry. I am a quick learner, a team player, and always eager to adapt to new challenges and technologies.
